

15th Annual Golf Tournament Overview

A Rainy Tournament Success

In a year of economic stress, when people are losing jobs and homes, through the generous and continuing support of our sponsors, donors, golfers, committee members, and volunteers, the Sisters of St. Francis **15th Annual Golf Tournament netted an amazing \$103,404!** A new element of this year's event was a special appeal that raised more than \$3,000 toward a van for Anna's Place in Chester, Pennsylvania. Bill Smallwood, the closest-to-pin contest winner, won a 32" digital television, the generous gift of Tony and Carole Capaldi. The additional contest this year was the longest drive won by Tina Nalbone and Bob Neef.
